

CAPT CHAPTER ELECTIONS RESULTS ARE IN

Every two years, CAPT members hold chapter elections to determine who their officers will be. This year, elections were held for seven chapters – *Atascadero, Coalinga, Northern Corrections, Southern Corrections, Patton, Porterville, and Stockton*. No other elections were held because either the current officers ran unopposed, or there was no opposition to a new candidate. Officers officially took office as of 5 p.m. on May 20. The following is a list of all chapter officers for the current term of office – through mid-May, 2022. State officer elections will be held by CAPT's Annual Delegates in September.
