Important contract negotiation updates to be discussed

CAPT state officers and consultants will be holding informational meetings at each chapter in the coming weeks to discuss the status of our negotiations and to seek direction, strategy, and resolve. The Bargaining Team first met with the State on June 17 and continued to bargain our contract on June 20-21, 24-25, 28, and July 1-3. Our next bargaining dates are scheduled for July 22-23 and August 1-2, 6-7, 15-16, and 20-21.
